VMU Faculty of Informatics
Internship evaluation form

(Filled by student)
Student: Silas Taiwo-Adeyemo

Study program: Informatics Systems

Study year: 2024/2025

Internship institution: Agrovinica

Internship period: from 2024/06/03 till 2024/08/31
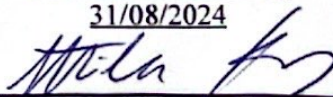

Tutor : Attila Kelemen

Mentor: Katarína Majerová

(Filled by mentor/tutor)

Review of Students Internship	The student carried out all tasks assigned to him to a high standard. The core skill required/used was to write Python scripts, which he excelled at. He has shown the ability to think analytically and also independent initiative. I recommend him for any position in business IT, as he is both technically competent and able to reason.
Completion of Internship (all the company property was returned to the company)	Filled by mentor only: yes X no ☐
Grade	9/10

Mentor/Tutor
(leave appropriate)

Attila Kelemen, CEO
31/08/2024
